Working with Children Check

Application number: 0123456A Application type: Volunteer

Dear Your NAME,

This email confirms your application for a Check has been received. It does not mean you have passed the Check as your application is being processed. You and the organisations listed in your application will be advised of the outcome.

What you can do now

1. [Register for MyCheck](#) to access your details. By law, you must update details about yourself and your organisations within 21 days of any change
2. Check the progress of your application at [Check Status](#).
3. Show the receipt to the organisations listed on your application so they know you have applied for a Check.

Your legal obligations while your application is being processed

1. Most people can work with children while their application is being processed.

The Act prevents some applicants from working with children until their application has been processed. For details, go to [Applicant obligations](#).

2. Volunteer cards must not be used for paid work.
