

Prerequisite Assessment Application

Doctor of Optometry

The Doctor of Optometry requires **three subjects at level 2 or level 3 (or equivalent) from one or more relevant biological science disciplines.**

Prerequisite subjects must have been completed within 10 years of commencing the Doctor of Optometry. For example, if you're applying for the 2025 intake then prerequisite subjects must have been completed from 2015 onwards.

Before submitting your subjects for assessment, please check if they have already been assessed at <https://mdhs.unimelb.edu.au/study/prerequisites>

Biological Science Subject Prerequisite Assessment

You may list single Biological Science subjects below to meet the prerequisite. You do not need to complete this section if your subject is confirmed as meeting the subject prerequisite here: <https://mdhs.unimelb.edu.au/study/prerequisites>

Biological Science Subject 1	
Subject Code:	
Subject Name:	
Institution:	
Country:	
A syllabus must be provided for this subject for assessment to be completed. A PDF of the subject syllabus is preferred and should be attached to this application. If not available, please provide a link to the subject on the institution/university website. The syllabus must contain the following:	
<ul style="list-style-type: none">• Contact hours of lectures, tutorials, practicals and labs• Specific lecture content with assessment criteria and learning outcomes• Credit value of subject• Lecture timetable• Lab / practical timetable (where the subject has labs)• Reading list• Length of subject (semester long, year-long etc.)	
Subject Syllabus attached as PDF: <i>(Preferred method)</i> Please indicate Yes/No	
Subject weblink: <i>(If PDF version not available)</i>	
Subject textbook:	

Biological Science Subject 2	
Subject Code:	
Subject Name:	
Institution:	
Country:	
<p>A syllabus must be provided for this subject for assessment to be completed. A PDF of the subject syllabus is preferred and should be attached to this application. If not available, please provide a link to the subject on the institution/university website. The syllabus must contain the following:</p> <ul style="list-style-type: none"> • Contact hours of lectures, tutorials, practicals and labs • Specific lecture content with assessment criteria and learning outcomes • Credit value of subject • Lecture timetable • Lab / practical timetable (where the subject has labs) • Reading list • Length of subject (semester long, year-long etc.) 	
Subject Syllabus attached as PDF: (Preferred method) Please indicate Yes/No	
Subject weblink: (If PDF version not available)	
Subject textbook:	

Biological Science Subject 3	
Subject Code:	
Subject Name:	
Institution:	
Country:	
<p>A syllabus must be provided for this subject for assessment to be completed. A PDF of the subject syllabus is preferred and should be attached to this application. If not available, please provide a link to the subject on the institution/university website. The syllabus must contain the following:</p> <ul style="list-style-type: none"> • Contact hours of lectures, tutorials, practicals and labs • Specific lecture content with assessment criteria and learning outcomes • Credit value of subject • Lecture timetable • Lab / practical timetable (where the subject has labs) • Reading list • Length of subject (semester long, year-long etc.) 	
Subject Syllabus attached as PDF: (Preferred method) Please indicate Yes/No	
Subject weblink: (If PDF version not available)	
Subject textbook:
