Information session for prospective postgraduate students

Please join us for this one-off session aimed at providing information for prospective students and the opportunity to meet course coordinators, student support staff and other Indigenous students.

During the session prospective students will hear from different course coordinators who will each deliver three minute sales pitches for the course they are representing.

The pitches will help students understand what the different courses will encompass and what career opportunities are available to them once completing their degree.

Prospective students will also have the opportunity to meet staff members who will be important contacts for support during their academic journey.

Register now or for more information contact Josh Cubillo josh.cubillo@unimelb.edu.au
